# Superior multiroom sound, played loudly.

## [ FULL DESCRIPTION ]

### DRUMFIRE II

Sometimes nothing beats loud. Drumfire II delivers a pure, bold sound with super crisp details. You will physically feel every little part of your music. But loud isn't everything, even listening at low levels, Drumfire II will make your music come alive. Drumfire II is the new, improved version of Drumfire. It offers AirPlay 2, Google Cast and Spotify Connect, and an even greater sound than its predecessor.

The design is classic rock n' roll. But with a sophisticated twist. Wrapped in faux leather, with handstitched threads and details in solid aluminium, Drumfire will blend naturally into any home environment. The multiroom function allows you to play the same music throughout your house. Group two of them in a left/right setup and the concert will be on stage in your home, literally. Play all together. Or not. You choose. Multiroom sound and multi person usage.

Streaming services available: Amazon Music, Deezer, iHeart Radio, Napster, Qobuz, QQ Music, Spotify, Tidal, TuneIn, VTuner and many more via Google Cast and AirPlay 2.

### TOP 3 FEATURES:

Compatible with AirPlay 2, Google Cast, Spotify Connect and Audio Pro Multiroom system.

6 preset buttons will give you easy access to playlists and radio stations. No need to use the app, just push and play.

Wireless multiroom speaker that lets you play the same track on all speakers in your house, or different tunes in different rooms, you decide.
