

## CAVUS FOR B&O

Cavus has created a number of solutions for Bang & Olufsen products over the years. Their newest product, the BeoSound Stage, provides a distinct and powerful sound. This soundbar marries design and sound quality. You can exactly match the BeoSound Stage to your home with our items. You may either set your TV and soundbar on a TV stand or hang it on the wall, or place it under your TV with a frame and place it on furniture.
