CANTON

GLE 10 S2

The flat GLE 10 S2 wall-mounted speaker, which are only ten centimeters deep, are particularly inconspicuous and flexible in use. They are ideal as a stereo or effect speaker with the support of a subwoofer. Thanks to its integrated wall mounting, they are very easy to install and delivers the best Canton sound for your living room in no time at all. Technically advanced speaker chassis and expert sound tuning guarantee long-lasting listening pleasure. New and unique in this price and size class: speaker chassis made of Aluminum Titanium Black (ATB) for maximum precision and pure listening pleasure.
