GLE 10 PRO S2

Our flat wall and ceiling speakers GLE 10 Pro S2 are particularly inconspicuous and flexible to use, with a depth of only ten centimeters. They are ideal as stereo or effect speakers and can be used as 3D speakers on the ceiling. Thanks to their universal bracket for wall and ceiling mounting, they are easy to install and can be precisely aligned to the listening position. The new speaker chassis made of Aluminum Titanium Black (ATB) and the skillful sound tuning guarantee long-lasting listening pleasure.
