CANTON

GLE 80 S2

The GLE 80 S2 are a logical extension of the GLE series, with dimensions only slightly smaller than those of our flagship GLE 90 S2. They displays almost identical performance with outstanding sound characteristics, excellent dynamics and an attractive appearance. The finest technology takes up space on the only 19 centimeter slim baffle and creates the unique Canton sound. Now new with our outstanding Aluminum Titanium Black drivers, which are being introduced into the current GLE series.
