

elipson® | Prestige Facet II 14F

FLOORSTANDING LOUDSPEAKER - 2 ½ WAY - BASS-REFLEX

With the Prestige Facet 14F II, Elipson sublimates its emblematic column by integrating the latest developments in the Facet II range.

Still faithful to the original philosophy - neutrality, musicality and precision - this new generation benefits from major acoustic improvements to push back the limits of fidelity even further.

Featuring a 2 ½-way configuration, it combines a 1" soft dome tweeter, a 7" bass-midrange driver and a 7" bass driver to deliver a full, dynamic sound reproduction.

TECHNICAL

Type Floorstanding loudspeaker - 2 ½ way - Bass-reflex	Crossover 600 & 2500 Hz - 12 dB / 12 dB / 18 dB
