

elipson | W35 Xi

CONNECTED STEREO LOUDSPEAKER

The high-end loudspeaker which combines superior sound quality with improved connectivity for the ultimate listening experience.

With Chromecast built-in™ and AirPlay 2 compatibility in the W35 Xi loudspeakers, simply tap the Cast button from apps you already know and love to stream music from your phone, tablet or laptop to your speakers.

The W35 Xi also features significant sound improvements, with clearer and more precise high and mid-range frequencies for faithful sound reproduction of the original recording. The minimalist and elegant design of the W35 Xi speaker, tinted with a deep and intense black color, perfectly embodies the alliance of tradition and innovation.

This exceptional French creation is made from superior quality materials for a timeless aesthetic and unparalleled durability.
