

# EH-TW9400W

## DATASHEET / BROCHURE

Have cinematic adventures at home with this 4K PRO-UHD<sup>1</sup>, HDR-capable, projector with 4K WiHD transmitter, motorised optics and 3LCD technology.

Movie lovers can spend more time enjoying amazing visuals, and less time worrying about cables thanks to this 4K PRO-UHD<sup>1</sup> projector's 4K WiHD transmitter. It packs in plenty of features to ensure a great display with a high 1,200,000:1 dynamic contrast ratio, 4K-enhancement technology, 3LCD technology, Full HD, UHD BD and HDR support. And with motorised optics, the set up is quick, precise and easy.

### Wireless viewing

Easily stream high-quality 4K content to EH-TW9400W from your smartphone, games console, Blu-ray player and more. Simply connect via HDMI to the 4K WiHD transmitter.

### Enjoy the ultimate picture quality

Heighten your home cinematic experience with this powerful 4K PRO-UHD<sup>1</sup> projector. 3LCD technology lets you avoid the 'rainbow effect' and enjoy vivid colours thanks to an equally high White and Colour Light Output of 2,600 lumens. HDR support reveals extra detail and depth, giving you natural yet richer colours. The ultra-wide colour gamut increases the range of lifelike colours. What's more, see incredibly defined detail in the shadows with the high contrast ratio of 1,200,000:1 delivering deep blacks. Even in the fastest action scenes frame interpolation and Detail Enhancement ensure motion pictures are sharp and smooth.

### Easy yet durable set-up

Watch a movie every day on the big screen for the next seven years<sup>2</sup> thanks to its incredibly long lamp life that minimise replacements. Installation is simple and precise thanks to motorised optics including a powered 2.1x optical zoom, powered focus and powered lens shift of  $\pm 96.3\%$  vertical and  $\pm 47.1\%$  horizontal.

### Enhanced controls

It's easy to view films in the right aspect ratio by storing up to ten formats. The projector also provides professional ISF calibration tools

## KEY FEATURES

- **Wireless 4K PRO-UHD<sup>1</sup> projector**  
4K WiHD transmitter, 4K enhanced, Full HD with UHD BD and HDR support
- **Smooth, fast-moving action**  
Frame interpolation and Detail Enhancement
- **Watch a movie a day for 7 years<sup>2</sup>**  
5,000 hours lamp life in Eco mode
- **Fully motorised optics**  
Powered zoom, focus and lens shift
- **Wide lens shift**  
Vertical  $\pm 96.3\%$  and horizontal  $\pm 47.1\%$
