QUICK START GUIDE

LET'S STAY CHARGED

Note: If your headphones and charge case do not have any power when you first unpack them, place the headphones into the charge case and plug the charge case into a USB port using the USB C cable 7 provided.

The Headphones

Remove your Mixx Airflow from the Charge Case 4 to Power On. You can also **press and hold** the Buttons 1 and 2 for **3 seconds** if they don't turn on right out of the case. The LED indicators 3 will flash WHITE and RED to indicate that they're on and ready to pair.

Place your Mixx Airflow back into the Charge Case 4 and close it to Power Off.

TIP: 15 MINUTE QUICK CHARGE

If you're running low on power, charge your headphones for 15 minutes and get **2 hours extra play time** while on the go.

LET'S CONNECT

First time pairing

When you remove both headphones from the Portable Charging Case ④ both headphones will turn on and connect together. A voice prompt will confirm with 'Power on, pairing'. The LED indicators ③ will flash WHITE and RED to indicate pairing mode.

Go to the Bluetooth settings on your audio device to select 'MIXX AirFlow' from the list. Once paired successfully you will hear 'Connected' and the Headphone LED Indicators ③ will turn off.

Your Mixx AirFlow headphones are now ready for your next run, workout or gym session. You can now enjoy your music, watch a video or take a call hands free using these headphones.

When pairing your Mixx AirFlow again in the future, they will automatically reconnect to the last device they were paired with, confirming 'Connected'.

LET'S PLAY

Power On

Remove both headphones from the Charge Case ④ and they will automatically dual pair together.

To manually turn on, long press each button for **3 seconds**.

Power Off

Place both headphones in the Charge Case ④ and close the lid. This will automatically turn off the headphones and the Bluetooth.

Play / Pause

Single Press either button ① or ② .

Decrease Volume

Double Press LEFT button ① .

Increase Volume

Double Press RIGHT button ② .

Answer / End call

Single Press either button ① or ② .

Next Track

Press and Hold RIGHT button ② .

LET'S RECYCLE

This product can be recycled.

Products bearing this symbol  must NOT be thrown away with normal household waste.

Take the product to a collection point designated for recycling of electronic devices.

Find out more about return and collection points through your local authority.

LET'S BE SAFE

IT IS IMPORTANT THAT YOU PLEASE READ THIS SECTION COMPLETELY.

For your protection

Check with your doctor before use if you are fitted with a medical device such as a pacemaker or a programmable shunt.

Ensure the product is correctly connected using the manufacturer's original accessories included with the product.

Do NOT make unauthorized alterations to this product.

Product may contain small parts which can be a choking hazard. Please keep the product out of reach from children under 6 and animals.

Whilst this product has been made using hypo-allergenic materials, you may suffer some skin irritation after prolonged use.

Do NOT listen to loud music for a long duration of time. We recommend turning the volume down before placing the device in your ears to avoid hearing damage.

Do NOT use the product while operating machinery, including cars, trucks or other vehicles.

Do NOT use noise cancelling mode or use your device in areas where the use of hearing is required for safety. e.g., while riding a bicycle, at a construction site or railroad etc.

Clean only with a dry cloth - Wipe off sweat from the headphones and the charging case before charging.

IMPORTANT!

Do NOT use a non-certified PD or QC3 wall charger as this may damage the product. Only use the cable supplied to charge your device.

If your product has become damaged in any way, does not operate normally or has been dropped, please refer to a qualified person to have the product checked before continuing to use it.

WARNING:

This product contains a Lithium battery. Incorrect disposal of this battery may result in an explosion.

The operating temperature range for this product is 5° - 40° celsius.

Please avoid exposing the product, charging case and cable connectors to prolonged rain, moisture or liquid spills/splashing. Please remove your device from your ears immediately if they emit any loud unusual noise or you experience a warming sensation.

If you experience any of the issues listed above, please turn off your device and contact MIXX Ltd on support@mixx-io.com
