### DESCRIPTION

The ESSE range knows how to renew itself to remain a contemporary range of furniture. Thus, the ESSE Curve has been designed to underline the shape of the newest curved screen. With its elegant black finish, the ESSE Curve compiles all the qualities required for the installation of a complete home theater system. Its robust architecture can support any screen upto 60 inches, and the lower shelves can accommodate all your AV devices. This piece of furniture marries perfectly with the modern look of this new range of screen.
