DESCRIPTION

The NorStone Esse Hi-Fi Vinyl is a variation on the famous NorStone Esse HiFi unit, enhanced with specific storage for your vinyl records.

Compact and attractive, it includes three shelves for your Hi-Fi system and a lower shelf dedicated to vinyl records.

Thanks to its airy shelving, this unit brings visual clarity to your installation while optimising the organisation of your audio equipment.

The glass or wooden shelves are supported by an epoxy steel structure, guaranteeing extra stability and strength.

With a load capacity of 40 kg for the top shelf and 20 kg for the middle shelves, this piece of furniture can accommodate a vinyl turntable, amplifier and other electronic equipment without any problem.
