

Premium and high-end low form factor cartridges  
for use on turntables like Rega

## 2MR Premium and high-end low form factor cartridges

### Newly developed low form factor cartridge housing within the famous 2M series:

- Slimline cartridge body - Effectively eliminates the need for tonearm spacers, shims or modifications
- 100% compatibility with the 2M styli - All Ortofon 2M styli fits on all 2MR cartridge models
- Standard half inch mounting - Quick and easy mounting on the tonearms with just two screws
- A complete series ranging from Mono to Premium: **2MR Red** to High-end: **2MR Black LVB 250**

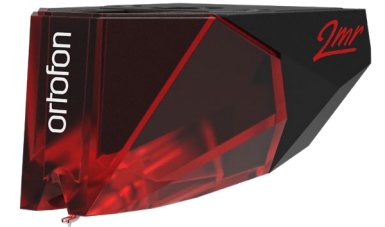

# 2MR Premium cartridge models

ortofon

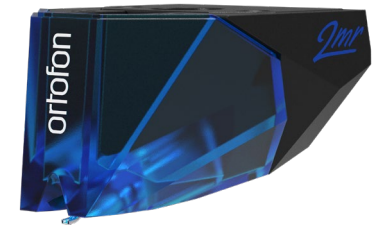

## 2MR Red:
