Classic Active

The integrated stereo system that delivers premium sound and connectivity in a charming two-unit design.

Experience Classic Active, a contemporary stereo system built for the modern home. Combining a powerful main unit and a passive partner speaker, it delivers immersive stereo sound with a focus on both audio quality and sophisticated connectivity. Seamlessly connect to your TV via HDMI ARC, stream from any device using Bluetooth 5.3, or enjoy radio with the DAB+/FM preset memory. Finished in elegant Cotton White/Oak or classic Black, the Classic Active is a high-performance, integrated audio solution designed to look as good as it sounds.
