

• Swivel range: +90°~-90° • Screen rotation: +90°~-90°

The InLine Slatwall series creates intelligent space for setting up monitor holders and accessories such as trays for documents, pens and desk utensils. The system offers two mounting options for a wide range of installation requirements as a desk or wall mount.

The desk mount offers a dual-user option, meaning monitors and accessories can be configured for two opposing desks on different levels.
