

SUPRA DIGITAL EXCALIBUR RCA

Digital RCA S/PDIF 75 Ohm
Gauge: Triax 0.71mm² / AWG 19
Rev.date: 2024-08-26
Customs tariff no: 8544499390
Country of origin: Sweden

- True 75 ohm - High speed transmissions without losses
- Exceptionally low damping factor - allows for long cable runs
- PE foam insulation, extremely low capacitance
- 100% Silver plated OFC wires - exceptional high frequency conductivity

Digital Excalibur RCA - Pure Silver Plated OFC, Pure Sound

Unleash the true potential of your audio system with our latest innovation, the Supra Digital Excalibur Series. Meticulously crafted for audiophiles and music enthusiasts, these high-quality digital audio cables redefine the standards of precision and performance. The Digital Excalibur SPDIF version boasts an exact 75 ohm impedance, featuring Rhodium plated RCA-plugs for seamless connectivity. Our commitment to excellence is reflected in the construction of this cable. It is meticulously crafted with 100% silver plated wires, ensuring a pristine signal transfer for an unrivaled listening experience. The use of PE-foam insulation not only minimizes capacitance but also facilitates high-speed velocity transfer, preserving the integrity of your audio signal. Each cable is a masterpiece, hand-soldered by experienced personnel to guarantee precision and reliability. The connectors are coated with Rhodium for enhanced conductivity & durability. The result is a product that not only meets but exceeds the expectations of true audio connoisseurs.

Precision engineering meets Swedish craftsmanship. The Supra Digital Excalibur Series is proudly made in Sweden, a testament to our commitment to quality and attention to detail. Immerse yourself in the exceptional sound that only a product of this caliber can deliver. Elevate your audio journey with the Supra Digital Excalibur Series – where innovation meets sonic perfection. Immerse yourself in the nuances of your favorite music and experience sound like never before. Upgrade to excellence.

CONSTRUCTION

Cable: SUPRA Digital Excalibur 75 Ohm
Jacket: PVC GA74 Crystal, round
Screen: Double screened, both braids in Silver plated OFC
Colour/Size: Transparent Iceblue, 8.3mm
Screen connection: Semi-balanced, the outer screen is only connected at the source end
Connectors: SUPRA RCA-8SL Rhodium
- Type: 1 RCA male > 1 RCA male
- Material: Rhodium plated Copper alloy
- Colour: Silver/Rhodium
- Jack connection: Squeeze lock (SL)
Solder tin: Almit SR34 Super
Signal direction: Follow the arrows > Source > Receiver
Packing: Carton 20x20x4cm

! Plugs with chuck lock. Turn the grey housing to release or lock the plug to the female terminal.
