

HORIZON Pro

Greatness is on Your HORIZON

4K

4K UHD Resolution

HORIZON Pro delivers 4K image quality available in a project its size. Enjoy staggeringly crisp images and vivid, lifelike colors for your movies and TV shows, all on an enormous 200" screen.

2200 ANSI

2200 ANSI Lumens¹

HORIZON Pro provides a beaming bright 2200 ANSI lumens paired with incredible color depth and image sharpness, instantly illuminating all you love to watch any time of day.

SOUND BY
harman/kardon
Dolby Audio

Sound by Harman Kardon

Unlock a rich, room-filling audio experience that fills your ears with deep individual sounds, thanks to HORIZON Pro's dual 8W, 45mm full-range Harman Kardon speakers.

Intelligent
Screen Adaption

Intelligent Screen Adaption

HORIZON Pro is ready to go right out of the box. Set up your home theater in seconds with XGIMI's industry-leading Auto Keystone Correction, AI Object Avoidance, Autofocus, and Intelligent Screen Alignment.

androidtv

The Ultimate Home Entertainment Experience

By integrating Android TV™, Google Assistant, and Chromecast built-in, you can enjoy 5000+ apps like Disney+, HBO Max, and YouTube through wireless casting, simple voice control, or the easy-to-use Android TV™ interface.

Remark:

1. The brightness data is from the XGIMI Laboratory. Actual product brightness may differ based on the specific test software version, testing environment, and product version.

2. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
