## INDOOR/OUTDOOR CUSTOM MOUNT

FOR THE SONOS MOVE™

The Indoor/Outdoor Custom Mount for the Sonos Move™ elevates your sound by positioning speakers at an ideal listening height while freeing up counter and table space. The grab & go design keeps the Move easily transportable for outdoor or indoor use. The Custom Mount for Move incorporates the charging ring for use indoors and includes a hidden cable management spindle below the mount for wrapping excess cord. Installing the Custom Mount is an easy 10-minute process and includes galvanized wood screws and drywall anchors.

Model **WSSMM1-B2**

Designed for Sonos Move™ Speaker

Frees up counter and table space

Positions speaker at ideal height

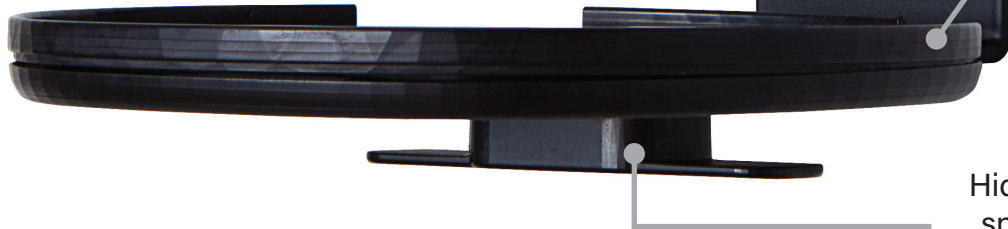

Can be used with or without charging ring

Weather resistant construction

Hidden built-in cable management spindle for wrapping excess cord
