

VC-S 7" kit

Complete add-on kit for 7" records

- Optimized cleaning efficiency for 7" records
- 2 different versions* suitable for alu & synthetic flange assembly versions of VC-S
- Consists of:
 - **Vacuum arm** for 7" records including short adhesive velvet strips
 - **Clamp** for 7" records (standard clamp will not fit)
 - **Wash it** vinyl cleaning concentrate (100ml bottle).

* Make sure that the 7" VC-S kit include proper version of vacuum arm to match with VC-S: There are two versions of the flange for vacuum arm and each requires a different arm: Synthetic (black) flange and Aluminium (silver) flange. Arms are not interchangeable.

VC-S add-on kit especially for 7" records

This long-awaited add-on for cleaning 7" records on VC-S will help to recondition your valuable vinyls. Whereas the standard record clamp and vacuum arm are perfect for 12 inches, this 7" kit fulfills your needs for 7" singles. A dedicated clamp and a vacuum arm that gives full vacuum power is included as well as a spare bottle of 100ml *Wash it* cleaning concentrate.
